

Capsule Courses
in
Diagnostic Imaging and Veterinary Surgery
under
AINP-DIMSCA

Division of Surgery
ICAR- Indian Veterinary Research Institute
Izatnagar – 243122 (UP)

The Division of Surgery, Indian Veterinary Research Institute is going to organize 3 practical oriented capsule courses under All India Network Program on Diagnostic Imaging and Management of Surgical Conditions in Animals (AINP-DIMSCA) for Practicing Veterinarians, Veterinary officers of State Animal Husbandry Departments and other organizations.

Course objectives

The courses are aimed at imparting field oriented practical knowledge to the veterinarians regarding diagnostic imaging and management of common and important surgical affections in animals through demonstrations and hands on training. The courses will help the practicing veterinarians in enhancement of their existing professional competence and confidence building.

Participants

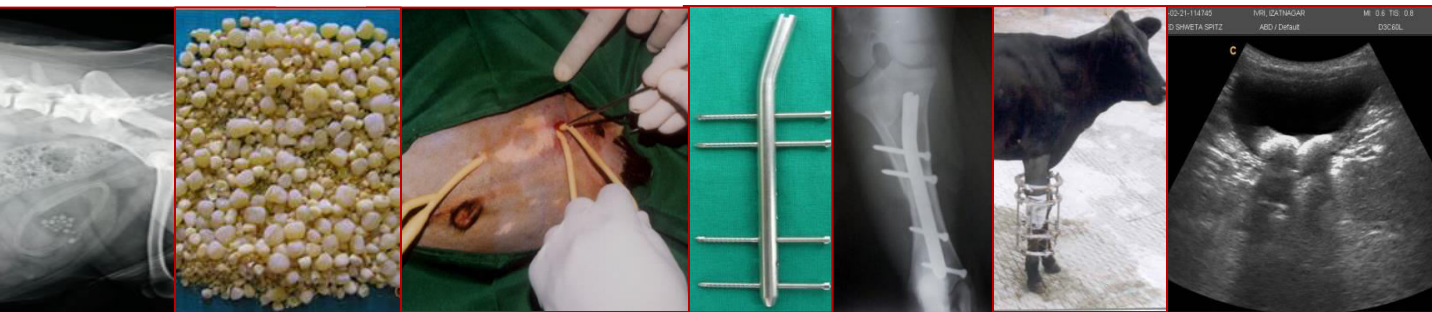

The courses are specially designed for Practicing Veterinarians with minimum qualification of B.V.Sc. & A.H. who are engaged in active veterinary surgical and diagnostic services in public or private organizations.

Details of the courses

Title	Date	Duration
