DEVELOPMENT IN
ANIMAL NUTRITION
AND ALLIED
SCIENCES**
AN INTERACTIVE WORKSHOP

JUNE 18 2019

Organized by
CAAST-ADVANCED CENTRE
FOR LIVESTOCK HEALTH
(CAAST-ACLH)
ICAR-IVRI, Izatnagar-243122

Under the World Bank funded
National Agricultural Higher Education Project
(NAHEP) of ICAR

BACKGROUND

The workshop, carried out under the CAAST-ACLH program, is part of the broader objectives of the World Bank funded NAHEP program of ICAR to raise the standard of current agricultural education system that provides more jobs and is entrepreneurship oriented and at par with the global agriculture education standards.

OBJECTIVE

The interactive workshop aims at highlighting the importance of converting knowledge to skill among the postgraduate students while simultaneously exposing the young minds to the significance of entrepreneurship development as an alternate to employment seeking.

AUDIENCE

The workshop is open to the postgraduate students and research fellows of Animal Science disciplines. However, students from other disciplines may also be considered depending on their experience and interest.

KEY ACTIVITY

The workshop is scheduled have three invited lectures to be delivered by experts from industry and academia besides a motivational talk on leadership and entrepreneurship by a leading industry expert. Besides, there will an open session at the end wherein the experts will give their mind to various issues raised by the participants.

VENUE
