## About the Conclave:

**BASiC–2026:** Bhartiya Animal Science Conclave & Science Expo is envisioned as a national platform to demonstrate how biosciences, particularly animal and veterinary sciences, can drive sustainable development for Viksit Bharat. Anchored in the theme **“Tradition to Technology: The Bioscience Pathway to Viksit Bharat@2047”**, the conclave seeks to seamlessly weave India's rich traditional knowledge and indigenous technical knowledge (ITK) with cutting-edge advances in animal and veterinary sciences. Reflecting the vision of the Hon'ble Prime Minister that the benefits of frontier technologies must reach every citizen of this country and must consistently narrow the gap between science and society. BASiC–2026 intends to bring together professionals scientists across all disciplines, especially animal and veterinary scientists, students, entrepreneurs, farmers, industry leaders, start-ups, NGOs, as well as policymakers under a single vibrant canvas. Through its constellation of events the Young Scientist Conclave and Student- Scientist Interaction, this conclave aims to foster networking across the laboratory, farm, industry, and policy spheres and to facilitate dialogue and idea exchange. Guided by the vision “Integrating Science, Society, and Industry for Viksit Bharat,” BASiC–2026 aspires to catalyse innovation and build enduring people-centric science partnerships for the nation.

## Flagship Event: Young Scientist Conclave (YSC)

A flagship forum to empower young researchers, animal and veterinary scientists, technologists and innovators from academia, research organisations, and industry.

### YSC aims:

- To familiarise participants with India's ancient science and success stories in relation to modern science
- To provide a high-visibility platform for oral/poster presentations
- To inspire, engage, and empower youth to explore frontier areas, including artificial intelligence, data science, nanoscience, and emerging technologies for the advancement of livestock, production, and sustainable development.

## Themes for Scientific Sessions:

**BASiC–2026** welcomes contributions that span the spectrum from traditional wisdom to cutting-edge technology in animal and veterinary sciences. Six broad themes include:

1. Transforming Animal Health, Welfare & Community Services
2. One Health, Biosecurity, Food Safety & Antimicrobial Stewardship
3. Basic & Translational Biosciences: From Molecules to Precision Therapies
4. Sustainable Livestock Systems: Production, Processing & Inclusive Value Chains
5. Environment, Climate Resilience for Sustainable Animal Production
6. Tradition to Technology: ITK, Nature-Based Solutions & Digital/AI-Enabled Precision Livestock Farming

## Submission of Abstracts:

**BASiC–2026** cordially invites you to submit original, research-based abstracts aligned with the conference themes. Abstracts must be submitted through the website on [www.basic2026.in](http://www.basic2026.in) on or before 20 May 2026. For detailed guidelines regarding the mode of presentation, notification of acceptance and other details please visit the website.
