

ICAR-IVRI, Mukteswar organized Human Health Camp

ICAR-Indian Veterinary Research Institute, Mukteswar campus organized human health camp was on 20.12.2024 at Village Darima, Ramgarh block, District Nainital. At the start of the program, Dr Y.P.S Malik (Hon'ble, JD, IVRI, Mukteswar) encouraged all the participants to frequently visit the Human Hospital, IVRI, Mukteswar for any kind of ailment and insisted that all the necessary support will be provided to them.

A total of 46 patients were examined for different ailments like blood pressure, diabetes, gastrointestinal affections *etc.*, The necessary advice and medication was provided to all the patients. The program was organized by Dr. Manu Malviya (CTO/ Medical officer, Human Hospital, IVRI, Mukteswar camps).

Dr. Y.P.S Malik appreciated the entire team for successfully organizing the human health camp at village level.
