

## **Livestock, Poultry and Fisheries Expo-2025 at Bidar**

---

Livestock, Poultry and Fisheries Expo-2025 was organized by Karnataka Veterinary Animal and Fisheries Sciences University, Bidar from 17<sup>th</sup> to 19<sup>th</sup> January 2025 with a theme “Animal husbandry and Fisheries for rural prosperity and livelihood security”. The expo was focused on promoting animal husbandry, poultry, fisheries and agriculture among the small and marginal farmers and also helps to inculcate entrepreneurship among rural youth and farm women.

In the Expo, the stall of ICAR-IVRI, Bengaluru campus showcased various diagnostic kits and vaccine technologies of ICAR-IVRI along with informational charts depicting prevention and control measures against various livestock and poultry diseases. The stall was appreciated by the dignitaries and visitors. The IVRI stall was awarded ‘First prize for the Best stall’.

The conclave was attended by large number of farmers, researchers, faculty, Directors and officials of the various ICAR organizations, Veterinary and agriculture Universities and State Animal Husbandry, Agriculture and Fisheries Departments, industry personnel and other stakeholders. Dr Pallab Chaudhuri, Joint Director, ICAR-IVRI, Bengaluru Campus, Dr KN Viswas, Principal Scientist, Dr Priyanka, Scientist and Dr Chandra Mohan S, Scientist have attended the Expo.
