

Training and Education Center - IVRI, Pune organized Training Workshop on “*Communication skills for Young Researchers*” on 16th February 2023

Communication skills are most pertinent for young researchers for career building said Dr Rupasi Tiwari, Joint Director (Extension Education), Indian Veterinary Research Institute, Bareilly (UP) and Chief Guest during the inaugural session of Training Workshop on “*Communication Skills for Young Researchers*” organised by Training and Education Centre, IVRI, Pune on 16th February 2023. Dr Tiwari applauded the efforts of Training and Education Centre, IVRI, Pune and encouraged participants for taking part in the online workshop.

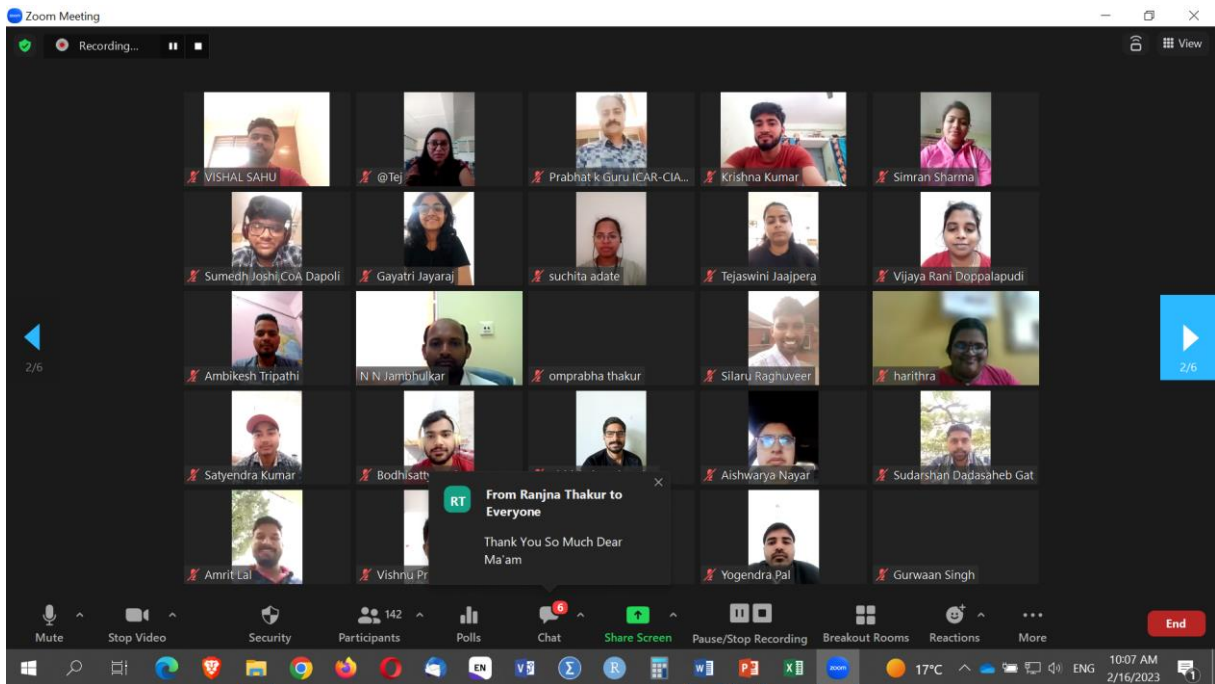

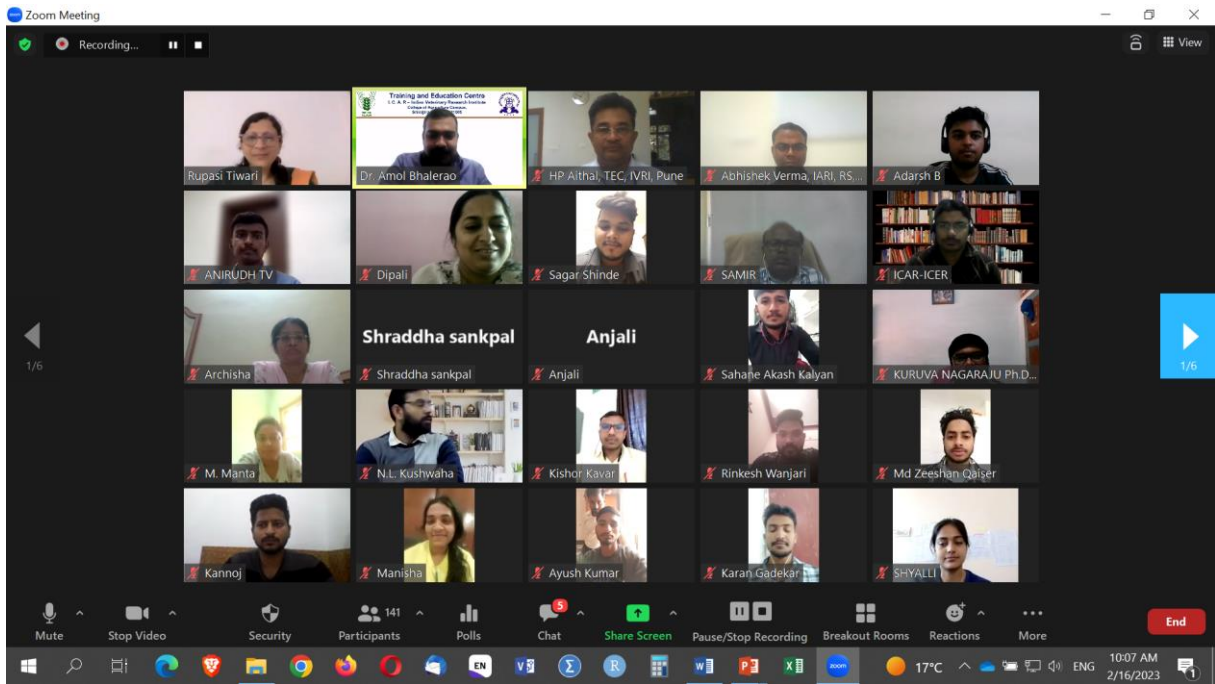

It was a pan India workshop conducted via online mode wherein 144 Under Graduate, Master and Doctoral students participated. Students across India actively participated in the workshop and interacted with the resource persons. Dr HP Aithal, Station In-charge, Training and Education Centre, IVRI, Pune welcomed the Chief Guest and briefed about the salient achievements of the Centre. Dr Amol Bhalerao, Scientist (Agri. Extension), Training Education Centre, IVRI, Pune was the coordinator and acted as the resource person to deliver workshop on communication skills for young researchers.

(A snap of Dr Rupasi Tiwari, delivering inaugural address in the workshop)

The workshop was divided in six sessions namely Communication skills in the context of sustainable development, Understanding the communication, Communication with (foreign) Professors, Oral communication of science – public speaking, career and communication, and Strategic communication.

The training workshop commenced with Ice-breaking session, followed by Understanding participants’ expectations, then principles of communication was discussed in detail. Several group exercises were conducted in breakout rooms and adequate opportunities were provided to trainees to discuss with fellow participants.
