

Temperate Fruit Planting material distribution by ICAR - IVRI,
Mukteswar from 07-02-2023 to 08-02-2023 under SCSP scheme

ICAR-IVRI, Mukteswar organized the two days input distribution programme from 07-02-2023 to 08-02-2023. IVRI, Mukteswar distributed temperate fruit planting material including peach (*Prunus persica*) and plum (*Prunus domestica*) plants. Around 2000 peach and 500 plum fruit plants were distributed to 130 farmers from SCSP adopted villages including “Darima”, “Pokhari-Pangradi”, “Chausali-Sakdina” of Ramgarh Block, District Nainital. This block is significant in the Nainital district's temperate fruit production, which has a direct impact on the socioeconomic status of the hilly farmers. The whole programme was coordinated by Dr. Karam Chand Negi, Dr. Nitish Kharayat and Dr. Nidhi Sharma.
