

Educational Exposure Visit of Students of GIC Kashialekh on 20-04-23 to ICAR IVRI Mukteswar Campus

Seventy-five students (31 girls and 44 boys) of Government Inter College Kashialekh of Nainital District accompanied by their three teachers paid an educational exposure visit to the ICAR IVRI Mukteswar Campus on 20th April 2023. Dr. Amir Kumar Samal (Scientist of ICAR IVRI Mukteswar) coordinated the visit of the students. The students visited the library, historical monuments, various laboratories and the Lab Animals Production Section of the campus. The students learnt about the history, achievements and current thrust areas of education and research programmes of the campus and career prospects in veterinary and animal sciences.
