No. F. 4-6 (Misc.)/2020-Acad

Dated:14.03.2020

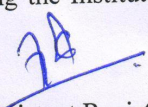

CIRCULAR

Suspension of Academic and Extra-curricular activities as a preventive measure against COVID-19.

As a part of preventive measures against the spread of COVID-19, the Competent Authority has decided to suspend all the Academic, Co-curricular and extra-curricular activities. These include classes, examinations, events, projects or any other activities which require the presence of students in the Institute's Campus till 31.03.2020. The students pursuing B.V.Sc., M.V.Sc. and PhD. Degrees are hereby advised to leave the hostel by 16.03.2020 evening as no canteen or mess facility would be available from the same date and it is expected that they go to their home directly. The students who are already outside the campus for some training or any other activity, leave or vacation are strongly advised not to return to the Institute.

Kindly note that there has not been any case of COVID-19 in the campus till now and this is only a preventive measure. These are special circumstances requiring special measures and cooperation from the staff as well as students. These preventive measures are essential to keep the situation under control. In the meantime, the students are advised to interact regularly with their guide and faculty through mail.

Further instructions regarding the start of academic activity and when the students have to report back to the campus will be communicated on the Institute's website after periodic review of the situation. Kindly keep checking the Institute's website for any other update related to this matter.
