Circular

As you are aware that the new variant of SARS-CoV-2 has emerged from South Africa and has so far been found in 57 countries including India. In India, 250 cases from 15 states have been reported till date. The Health scientists are of the opinion that it will spread more quickly than earlier variants. The Government of India has issued advisories/ guidelines to prevent the further spread this new variant. In view of the situation, you are advised to strictly follow the COVID guidelines and advisories, issued from time to time by the Government, including wearing masks, social distancing, frequent hand washing, and use of hand sanitizer. Immediately book vaccination slot if the second dose is due. In addition, be yourself on campus unless it is unavoidable. Avoid visiting crowded places like restaurants, shopping malls, etc. In case if you are having symptoms like cough, fatigue, congestion, running nose, etc, immediately isolate yourself and check for COVID test, and inform the hostel warden/Human Hospital. Your cooperation is desired as together we can prevent the spread of COVID.

All the students are advised refrain from arranging any kind of gathering in the Hostels/ Campus in the light of COVID guidelines. Further, students are advised to inform to inform their respective Hostel Wardens before leaving the Campus, until further orders.

This issue with the approval of the Competent Authority.
