Report of Cultural Events 2020-2021

The cultural program was organized showcasing vibrant performances of our students on the 6th February, 2020, in the central auditorium for the delegates of National Conference held at ICAR-IVRI, Izatnagar. The event was a vibrant celebration of creativity and talent, brought to life through the active participation of the students. Their enthusiasm and dedication were key to making the program a huge success, reflecting the spirit and energy of the student community.

The evening's proceedings were skilfully hosted by postgraduate students, who ensured that the program flowed smoothly and kept the audience engaged. The event showcased a diverse array of performances, beginning with a series of captivating solo dance routines. These performances highlighted the individual talents of the students, each bringing their unique style and energy to the stage.

Following the solo dances, **a variety of folk dance performances** were presented, each representing different regions and traditions of India. These dances not only entertained but also provided a glimpse into the rich cultural heritage of the country. The vibrant costumes and rhythmic movements added color and dynamism to the evening. The program also featured a high-energy **western group dance** that had the audience clapping and cheering. This performance demonstrated the versatility and adaptability of the students, as they seamlessly transitioned from traditional to contemporary dance forms.

Adding a touch of drama to the evening was the '**nukkad natak**,' a form of street play that addressed social issues with a blend of humor and poignancy. This was followed by a traditional play that showcased the acting skills of the students, leaving a lasting impression on the audience with its compelling narrative and powerful performances.

Musical talents were also in the spotlight, with solo song performances that ranged from classical to contemporary genres. These songs not only showcased the vocal prowess of the students but also created a soulful atmosphere that resonated with the audience.

The cultural night concluded with a grand finale, where all the performers came together for a **final group dance, symbolizing unity and collaboration**. The audience responded with thunderous applause, acknowledging the hard work and dedication of all the participants.

The entire event was meticulously coordinated by Dr. Suman Talukder, whose efforts ensured that the evening was a seamless and enjoyable experience for everyone involved. His guidance and organizational skills were instrumental in bringing the cultural night to fruition.
